Mr. James Spall
President
Pioneer Days Committee
Post Office Box 1
Carbondale, PA 18407

Dear Jim:

Enclosed are two copies of a draft of a one-page description of the activities that will be sponsored by the Pioneer Days Committee and by the Committee to Restore Carbondale City Hall, Inc. during Pioneer Days 1982. It is my plan to use this one-page description in promotional material that the Committee to Restore Carbondale City Hall will mail out, and I would like to have your approval on this description before any of the promotional pieces are mailed.

Are any of the details on the parade known at this time? How many units or organizations are expected to participate in this year's parade? When will the parade begin? How long will it last?

Please make any changes to this draft that you feel are desirable and/or necessary, and return one of the copies to me at your earliest convenience.

Sincerely,

S. Robert Powell
